

I Only Wanna Be With You LYRICS

SOP

(tacet)

I don't know what it is that
makes me love you so,
I only know I never want to
let you go
Cos you've started something,
oh can't you see
That ever since we met
you've had a hold on me,
It happens to be true,
I only wanna be with you.

It doesn't matter where you go
or what you do,
I wanna spend each moment
of the day with you,
Now look what has happened
with just one kiss,
I never knew that I could be
in love like this,
It's crazy but it's true,
I only wanna be with you.

You, you stopped and
smiled, asked if I cared to
dance, open arms,
I didn't stand a chance!

I just wanna be beside you
everywhere,
As long as we're together
honey, I don't care,
Cos you've started something,
oh can't you see
That ever since we met
you've had a hold on me,
No matter what you do,
I only wanna be with you.

ALTO / TENOR

Only with you, be with you
only with you, be with you

Don't know why
I love you so
Never wanna
let you go

You've had a
hold on me,
Happens to be true, bap bada
only wanna be with you,
be with you.

Doesn't matter
what you do,
Wanna spend each
day with you,

Crazy but it's true, bap bada
only wanna be with you,

You stopped and smiled at me
Asked if I cared to dance,
I fell into your open arms
And I didn't stand a chance!

I just beside you
everywhere,
We're together,
I don't care.
Ah____

Matter what you do, bap bada
only wanna be with you,
