The 'c' of 'cabanga' is one of the click sounds in Ndebele - bit like a disapproving tut!

My late partner Simon Banda was a great singer, dancer, drummer and workshop leader from Bulawayo, Zimbabwe. He was the first leader of Sosa-Xa! choir in Sheffield and captivated audiences in Zimbabwe, Britain and other countries throughout the world with his enormous talent, wicked sense of humour and broad smile. Enjoy the song, play with the arrangement, and smile!
