

You Are Welcome Here

Written by Timothy Allen

Verse 1 0.13

Take a look around us at the people we all see
Everyone is different, there is no one else exactly like me
The one who stands up proudly, the one who shrinks in fear
You are welcome, you are welcome here

Verse 2 0.41

Sharing people's stories helps us learn and comprehend
Get to know your neighbour, and then suddenly your neighbour's your friend
When you have a problem, they will lend an ear
You are welcome, you are welcome here

Bridge 1.08

As we come together with our voices (ahh)
Blending sound and music through the air (blending sound and music)
Don't forget; we're measured by our choices
Everyone defined by how we care

Verse 3 1.36

Look around again at all the people and reflect
What goes on inside them may not always be what others expect
Throw your arms around them! Make your message clear:
You are welcome, you are welcome here

Outro 2.04

You are welcome, you are welcome,
You are welcome, you are welcome, (here)
You are welcome, you are welcome here
