

Rise

Eddie Vedder
from the film "Into the Wild"
Arr. Rebecca Askew

Such is the way of the world, you can never know, mmm---
Just where to put all your faith and how will it grow, Oh---
Gonna rise up burning black holes in dark memories
I'm--- gonna rise up turning mistakes into gold--- ooh---

Such is the passage of time too fast to fold, ooh---
And suddenly swallowed by signs, lo and behold, Oh---
Gonna rise up find my direction magnetically
I'm--- gonna rise up, throw down my ace in the hole--- ooh---

La-----
La la la la-----
La la la la-----
La-----
La la la la-----
La la la la-----

(back to beginning and repeat whole thing)

Ending:
Rise-----
