

# **The storm is passing over**

Courage my soul and let me journey on  
Though the night is dark and I am far from home  
Praise be on high, the morning light appears

**The Storm is passing over**  
**The Storm is passing over**  
**The Storm is passing over**  
**Hallelouoo**

Thunder Rollin' and billows shake the ground  
See the lightning flash and dark clouds all around  
Walk upon the seas and calm the angry waves

**The Storm is passing over etc.**

## **Ending**

Ha-lle-lu-jah Ha-lle-lu-jah-----

The Storm is passing over
