

Calling - Words by Miranda Fuller, Music by Emily Leather

Verse 1

SATB

If I call you in the night, will you come to me?
Your voice dispels the darkness and the fears;
If I call to you in sadness, will you come to me?

SOP/BASS

Hmmmmmmmmmm

ALTO/TENOR

Your smile, with tender warmth,

SATB

dry all my tears;
If I call you in the night, will you come to me?

Verse 2

If I call out in my bleakness, will you come to me?
Your arms shut out the loneliness and chill;
You're gone and nothing in this world can change that;
But I need you still;

SOP/BASS

Go on calling, calling still;

ALTO/TENOR

And will go on calling, calling, calling, still;

SATB

If I call you in the night, will you come to me?
