

## Never Felt Finer - words Spike Milligan, music Craig McLeish

### BASS

I never felt finer, I never, I never felt finer,  
Said the King of China, I never felt finer,

No I never felt finer, Said the King of China,  
No I never felt finer, Said the King of China,  
    No I never felt finer,  
        *I never, I never felt finer,*  
        *Said the King of China.*  
    *I never felt finer, no I never felt finer,*  
        *Said the King of China.*  
*No I never felt finer, Said the King of China.*

    No I never felt finer, I never,  
    I never felt finer, Said the King of China,  
        Sitting down to dine.  
No I never felt finer, Said the King of China  
No I never felt finer, Said the King of China  
        Sitting down to dine.

Then he fell down dead, He died he did,
