

Up On the Roof

(Gerry Goffin and Carole King)

Intro – UP ON THE ROOF X4 **Roof** -(up on the roof the roof x3) up on the roof

1. When this old world starts getting me down
And people are just too **much for me to face**
I climb way up to the top of the stairs
And all my cares just **drift right into space**

MIDDLE

On the roof, it's peaceful (it's as peaceful) as (it) can be
And **there below the (world can't bother x2) me** -Let me tell you now

2. When I come home feelin' tired and beat
I go up where the **air is fresh and (fresh and) sweet** I get away from the hustling crowd
And all that rat-race **noise down in the (noise down in the, in the) street**

MIDDLE

On the roof, the only(the only only) place I know
Where you just have to **wish to make (wish to make, it wish to make)**
it so
Let's go up on the roof

INTRO – UP ON THE ROOF X4 (up on the roof the roof x3) up on the roof

MIDDLE

(Late) At night the(bright) stars put on a show (on a show) for free
And, **darling, you can (share it x2) all with me** I keep a-tellin' you
Right smack dab in the middle of town
I've found a **paradise that's trouble free**
If this world starts getting you down
There's room enough for **two up on the roof**
