

Something Inside So Strong

by Labi Siffre arranged by Dee Jarlett

The higher you build your barriers
The taller I become
The farther you take my rights away
The faster I will run
You can deny me
You can decide to turn your face away
No matter 'cos there's

*Something inside so strong
I know that I can make it
Though you're doing me wrong so wrong
You thought that my pride was gone, oh no
There's something inside so strong
Oh something inside so strong*

The more you refuse to hear my voice
The louder I will sing
You hide behind walls of Jericho
Your lies will come tumbling
Deny my place in time
You squandered wealth that's mine
My light will shine
So brightly it will blind you
'Cos there's

Something inside....

Brothers and sisters
When they insist we're just not good enough
When we know better
Just look them in the eyes and say
We're gonna do it anyway
We're gonna do it anyway

Something inside....

Brothers and sisters...
We're gonna do it anyway x4 (KEY CHANGE)

Something inside... (DBL CHORUS, + RPT LAST LINE)

Bass chorus

*Something inside so strong
I know that I can make it
You thought that my pride was gone
So strong, oh
Something inside so strong*

Break backing

Brothers and sisters
We're not good enough
(we're just not good enough)
When we know better say
We're gonna do it anyway
We're gonna do it anyway
